

USCAH

**United States Conference on African Immigrant Health:
Charting a Course for African Immigrant Research in Health**
April 7-11, 2010 / Atlanta, Georgia / Hilton Atlanta / Marietta Hotel & Conference Center

CALL FOR ABSTRACTS

Abstracts are NOW being accepted for the following conference tracks:

- A. HIV/AIDS:** Research related to the epidemiology of HIV/AIDS and co-morbidities in the U.S. African immigrant population; programs and services for the prevention and treatment of HIV/AIDS and co-morbidities in this population.

- B. Data Collection and Research:** A forum for professionals, researchers and community leaders to identify the existing gaps in the scientific literature related to the health status of African immigrants in the U.S and subsequently formulate a research agenda.

- C. Best Practices:** Translational research, specifically addressing best and promising practices in developing and implementing culturally appropriate and/or faith-based programs and services to support African immigrant health.

**Abstract submission deadline:
December 5, 2009**
