National Library of Medicine. *LitCovid Literature Hub*. <https://www.ncbi.nlm.nih.gov/research/coronavirus/>

The OMH Knowledge Center contains a collection of 65,000 documents, reports, books, journals, media, and journal articles related to the health status of racial and ethnic minority populations. The library collection also includes sources of consumer health material in more than 40 languages. Knowledge Center staff can respond to requests from the public by providing selective bibliographies of articles and books in its collection.
