Locate consumer health brochures published by federal agencies and nonprofit organizations.

[Search the OMHRC online catalog for consumer health information:](#)

Subject Term 'consumer information' **AND Audience** 'consumers' **AND Language** 'select language'

The OMH Knowledge Center contains a collection of 65,000 documents, reports, books, journals, media, and journal articles related to the health status of racial and ethnic minority populations. The library collection also includes sources of consumer health material in more than 40 languages. Knowledge Center staff can respond to requests from the public by providing selective bibliographies of articles and books in its collection.
