THINK CULTURAL HEALTH

Advancing Health Equity at Every Point of Contact

Think Cultural Health is a website that features information, continuing education opportunities, e-resources, and more for health care providers, public health, community health, and other health and health care professionals to learn about culturally and linguistically appropriate services, or CLAS. Launched in 2004, Think Cultural Health is sponsored by the Office of Minority Health at the U.S. Department of Health and Human Services.

Professionals in the following disciplines may find useful resources here:

- Health care
- Public health
- Behavioral health
- Disaster preparedness and crisis response
- Community health
- Health policy
- Health administration
- Oral health
- Social work
